

HEARTLAND Paragon

- Two ovens featuring convenient side opening French doors. No more leaning over a hot oven door
- 7-Mode multifunction oven includes: defrost, fan assisted, convection broil, true convection, conventional roast/bake, broil element and base heat

- Ovens are independently controlled
- Both ovens feature true convection cooking.
- Full width storage drawer

- Optional Wok cradle and griddle kit
- Made from a sleek and smoother grade of stainless steel, which allows for easier clean-up

- Six high-efficiency commercial style burners with electronic ignition and Flame Failure cut-off
- Heavy duty cast iron grates create an even cooking surface so pots and pans easily slide from burner to burner
