BRIGHT™**
HEARTH PRODUCTS

Forrest Paint's Stove Bright® is a high quality, fast drying, high heat paint for use on woodstoves, pipes, boilers, furnaces, radiators, fireboxes, engines, auto exhaust, manifolds, heaters, mufflers, barbecues, etc. It can be used on any steel surface with in-service temperatures to 1200°F/650°C. Stove Bright® colors maintain excellent stability to 900°F/400°C and good color stability to 1200°F/650°C and withstand repeated heating and cooling.

- Bright, attractive colors bring new life to your decor.
- Resists scratching and marring.
- Widest selection of colors available.
- Fast Drying aerosol formula.
- Contains silicone.
- Easy to use.
- Resists rust.
